We moved to Albrighton five years ago, drawn by family links . We knew the area well from even when we lived long distances away

We were attracted by, not only our friends and the friendly atmosphere, but also the semi-rural effect and outlook of the village – something that we hope will be maintained.

Upon moving here, to Albrighton we were embraced by the warm and welcoming community. The friendliness of the village has made a significant difference in our lives. I have a deep appreciation for wildlife in all its forms, including the Nature Reserve and the local woodlands, and am proud to serve as the Tree Warden for the village, working to preserve and protect our natural environment.

GP surgery is incredibly helpful,  
I enjoy walking around the village, shopping locally, and participating in the very numerous community events. This village offers a quality of life that we cherish deeply.

I wholeheartedly support the local plan. It is vital to maintain the character and spirit of Albrighton, ensuring it remains a welcoming and supportive place for all residents. The plan will help protect our green spaces, manage growth responsibly, and preserve the unique charm that makes our village special.

Supporting the local plan is essential for safeguarding the environment, community, and way of life that we all hold dear.
