Q4. Please detail your comments on the specified document(s).

Please be as precise as possible.

My move was based on the character of the village, quality of life, and sense of community. The draft Local Plan is both comprehensive and balanced and clearly has the interests of the community at its heart. The recommended areas for housing development are proportionate and will allow for an ordered and manageable expansion. Boringale Homes would flout the established and draft plans and drive a coach and horses through the community. Clearly such development would put an intolerable strain on local services, P.T.O.
