have appreciated the rural setting of Albrighton more than ever. My pastimes include Conservation Area woodland and meadows, walking, running and cycling in the locality. Indeed, the natural environment is the reason for staying here.

Reasons for supporting the Draft Local Plan

- Protection of valuable quality agricultural land from further development at a time when national food security is threatened.
- Maintenance of a community which is still coherent and supportive and would be lost by overdevelopment and overpopulated.
- Limitation of pressure on local amenities such as local roads and lanes, medical care, primary education, pharmacy and essential retail outlets.

I fully SUPPORT the Draft Local Plan.
