**Q4. Please detail your comments on the specified document(s).****Please be as precise as possible.**

Albrighton village is the nearest point for me and my family to access shops and services, doctors surgery, train station and community activities. My family and I chose Albrighton and the surrounding area because of its close proximity to road networks (M54) and because of its rural aspect. The surrounding countryside is and always was green belt land which we thought would never be built on.

I am supportive of the Local Plan as it appears to define current and future allocated areas of housing development in Albrighton, whilst giving protection to the Greenbelt land around the village.

Massive housing development, along with plans for a supermarket, secondary school and healthcare centre would overwhelm and diminish the existing shops and service providers in the village while at the same time changing forever the village atmosphere and community. Shropshire housing needs would be better met by developments at Tasley, Shrewsbury and Ironbridge and not on Greenbelt land around a small village.
