mind, we chose a village we knew well for several reasons: it is a safe community, it has excellent infrastructure for the size of 4.5k residents and 2.5 dwellings - very finely balanced. We have superb facilities for recreation and social life and access to footpaths with green areas. Doctor's surgery, dental practice, supermarkets, garden centres; it is a model village of sustainable urban living with many aspects of rural life.

I am supportive of the Local Plan because it identifies precisely how much development should take place in Shropshire generally and Albrighton specifically^①. Also, it identifies at field-level which Green Belt does what and which fields are NOT suitable for development^②.
