[REDACTED]  
[REDACTED] We are a village and wish to remain a village having been actively involved in local community projects.

[REDACTED] but often walk to the village to use the local amenities and also spend our spare time walking in the beautiful countryside that this village has to offer.

Local Plan

Having had the opportunity to support the local plan I am of the opinion that one of the most important aspects of the plan is the preservation of our local Green Belt around the village.

I fully support the plan as it defines areas for not only current housing developments but also foreseeable future development in our village and surrounding areas.

Having already approved two sites in the village for planned development I do not consider any further development necessary and strongly oppose the development on Green Belt sites.

Any development in our village must be sustainable and protect the village. The impact of developments will result in our local services including the schools and doctors becoming overwhelmed and not sustainable for future generations.

We do not need any more development in the village of Albrighton and surrounding areas.
