Introduction

moving to this area from an urban conurbation because of the tranquility and rural location. I therefore strongly oppose any overdevelopment of the village surrounding areas.

12.1 – 12.3, 12.4.

I have read the Shropshire Local Plan and support it because I feel that that it is an appropriately scaled process and will be sensitively delivered. The increase of a large development could endanger lives and the environment due to the small lanes around and through the village.

7.63 – 7.64, table 8.1 & 8.3, 8.7 -8.8, 16.64

I have read the Shropshire Local Plan and support it because I think that the sites allocated and the timescale for building is appropriate and sympathetic to the size of the village; therefore any overdevelopment should not be permitted, particularly on greenbelt land.

Building on greenbelt in my view would be of great detriment to such a rural environment and community due to increased traffic, pollution, infrastructure and demise of our rural 'way of life'.

I have read the Shropshire Local Plan and support it because I feel that any overdevelopment would destroy a living, thriving rural community. Having raised our family to be able to have the freedom of playing in the fields and being part of nature, the very thought of these fields being overdeveloped and green spaces covered in concrete is a thing of nightmares. We should be preserving these for future generations not robbing them of the experience of living in a safe, rural environment. In my opinion Shropshire council in their Local plan have listened to the residents of Albrighton and recognised the importance of protecting our village by opposing unnecessary development on green belt and identifying more suitable locations for accommodating the Black Country housing need.
