**Q4. Please detail your comments on the specified document(s).
Please be as precise as possible.**

1, I have lived in Albrighton using the train and bus network, shops and other amenities notwithstanding how important the green space locally are to me and my family.

I am fully supportive of the Local Plan because it clearly defines the allocated areas for current and future land uses.

I have looked at the Shropshire Local Plan and am glad to have had this opportunity to submit a response. I support the Plan because it is a well-considered, positive document and has engaged with us local residents in the village.

I am reassured to read that it gives robust protection of the Greenbelt around Albrighton. This is a precious resource to my family and many residents in Albrighton. Protection of Greenbelt will maintain important farming areas, the character of the village, natural surrounding landscape, biodiversity and environmental sustainability. This is essential due to the current Climate Emergency we face.

I am opposed to further development on the scale outlined by Bonnigale Homes, due to the over expansion and drain on the facilities
