Comment from Baschurch Parish Council

Councillors are concerned that the figures at Table 10-3 Residential Guidelines and Residential Supply within Community Hubs relating to Baschurch Parish are incorrect and should read at page 80 Proposed allocations without planning permission as at 31st March 2023 should read 28 not 55.

In the exception site policy relating to social housing it was felt they should be built near the areas amenities whenever possible.

Kind Regards

(Clerk to the Parish Council)
