Dear Ms Trueman

Examination of the Shropshire Local Plan 2018-2036

Reference Number: A0515

Organisation/Representor: Messrs C, P and G Weston

Agent: Landor Planning Consultants Ltd

Objection Paragraph S18 Policy S18.1 – Land North of Chester Road (WHT037 and WHT 044))

I refer to the above objection to the Shropshire Local Plan and your email of 24 July 2024 advising that the Examination Hearing will recommence on 15 October 2024.

I act on behalf of Messrs Weston in respect of above objection with reference A0515 that is scheduled to be considered on 27 November under Matter 24 – Whitchurch Place Plan Area (Policy 18) – S18.1 Land North of Chester Road (WHT037 and WHT044).

The issue to which we drew attention to relates to the site capacity (WHT037 and WHT044) set at 200 dwellings. The only issue for consideration is whether this should be expressed as a minimum requirement for the site allocation.

Whilst this is a matter the Inspectors may wish to consider in respect of Policy 18.1, or indeed in respect other housing sites proposed for allocation in the Local Plan, it is not a matter that needs to take up Examination time and for the purposes of the Examination the objection is withdrawn.

I would be grateful if you would acknowledge receipt of this letter.

Yours sincerely,

Edward Landor MRTPI
