

Dear Kerry ,

Re 7.5 Alveley Green Belt .

Thank you for your Email. [REDACTED]

However, I note the Inspectors intend to visit all the sites identified for release from the Green Belt.

I therefore hope at least they will assess the now existing sporting facilities in the Village, especially after the continued policy supporting mixed development for ALV006/007. In addition to the Sport's and Social Club facilities, we have.

The Recreation ground and pavilion together with the Tennis Club with 3 all weather floodlit courts . An adjoining Petanque Club.

The Alveley Cricket Club located in extensive grounds at 4 Oaks, Lyebatch Works Lane, Turley Green. The Bowling Club located in the grounds of the Squirrel P.H .

The Seven Valley Country Park who frequently organise outdoor events. Also, the National Cycle way passes through the park and is used by locals.

I hope these comments can be taken into account at the appropriate time in the examination process.

Regards Malcolm Philpotts
