Dear Consultee

INTERIM POLLING DISTRICT, POLLING PLACE AND POLLING STATION REVIEW 2024

Shropshire Council is due to commence an interim review of polling districts and polling places in accordance with the Representation of the People Act 1983 (as amended).

Representations are invited from stakeholders, partners and other interested parties such as electors, elected members, local political parties and organisations that have expertise in relation to access to premises for people with different forms of disability.

I would like to invite you to consider this review and make comments, if required, on the following polling places:

Venue	Details
Army Reserve Centre	Access to the site is no longer available due to security concerns/lack of service personnel on site
Bagley Sports and Social Club	Requirement to identify a back-up venue to use during elections with a small turnout as main hall would no longer be available due to use by the social club
Belvidere School	Request from a parent to identify another venue to enable the school to remain open to students during elections
Farlow and Orton Village Hall	Request from Wheathill Parish Council to move this parish to Cleobury North Village Hall. LJC - Farlow would continue to use Farlow and Oreton Village Hall.
Horeb Welsh Methodist Church	Reviewing the current provision as the current facility may not be available long term. This venue will still be used for May 2025 elections

When making suggestions, please ensure the following:

1. That electors have such reasonable facilities for voting as are practicable in the circumstances, and;
2. As far as is reasonable and practicable, that polling places are accessible to all electors, including those who are disabled, and, when designating a polling place, have regard to the accessibility needs of disabled persons.

The review commences on 23 September 2024 and the deadline for the submission of comments is 20 October 2024. This will allow for sufficient time to enable any alterations to be made to the revised register before it is published. A report outlining findings and final recommendations will be submitted to Council on 12 December 2024.
