Dear Mr Wordsworth

I refer to the above Appeal currently in progress.

Johnny Dryburgh and myself are the Representatives of the community interest group “Flour not Power”, the “Rule 6” party engaged in the Appeal to date. We, on behalf of Flour not Power, have concluded a legal agreement with the Appellant, Econergy International in respect of Flour not Power’s ongoing participation in the Appeal. Johnny Dryburgh and I wish to withdraw our individual objections to the Appeal, and advise that Flour not Power withdraws it’s objections to the Appeal. Flour not Power, Represented by Claire Wild and John Dryburgh, will withdraw from the Appeal process as the Rule 6 Party, from the date of this email.

I would be grateful if you could please confirm receipt of this email.

Many thanks

Kind regards

Claire Wild
