Admissions Policy for 2016/17

Baschurch C.E. Aided Primary School is a "Voluntary Aided" school and, as such, its Governing Body has responsibility for its own admissions. If you would like your child to be admitted to the Reception Class at Baschurch Primary School, please contact the head teacher in the first instance, giving the name and date of birth of your child(ren). Application should be made via Shropshire Council's website by the 15th January preceding the beginning of the academic year in which your child is due to start school. Alternatively, application can be made by phoning the school's admissions team. All applications received by 15th January will be considered. Parents will be informed on the 16th April if they have been allocated a place for their child. See the table below which sets out the timetable for the 2016/17 year.

All schools have an admission limit for each year group. The admission number for Reception year will be 25 at this school. Children who have a Statement of Special Educational Need or Education and Health Care Plan (EHCP) which names Baschurch CE Primary School as the appropriate school will be allocated places first after which if applications exceed the admission limit, places will be allocated according to the following criteria in order of priority:

1. First priority will be given to Looked after Children who are in public care and children who were looked after but ceased to be so because they were adopted as defined in the Schools Admissions Code.

2. Children whose families live inside the designated catchment area and whose parents can demonstrate their commitment to regular and faithful worship** in the Church of England by means of a letter from their vicar.

3. Children who live inside the designated catchment area and whose parents can demonstrate their commitment to regular and faithful worship**, in a Christian church by means of a letter from the priest or minister.

4. Children living in the designated catchment area and who have an older sibling at the school on the date they are due to start.

5. Other children living inside the designated catchment area and whose homes are nearest to the school:

6. Children whose families live outside the designated catchment area and whose parents can demonstrate their commitment to regular and faithful worship** in the Church of England by means of a letter from their vicar.

7. Children who live outside the designated catchment area and whose parents can demonstrate their commitment to regular and faithful worship** in a Christian church by means of a letter from the priest or minister.

8. Children living outside the catchment area and who have an older sibling at the school on the day they are due to start and whose homes are nearest to the school:

9. Other children living outside the catchment area and whose homes are nearest to the school.

10. Children with medical or special circumstances. This will only be considered if parents can provide written medical evidence that Baschurch CE Primary School is essential to the medical well-being of their child. In such cases priority may be given above those children who qualify under priorities 2 – 7.

Definitions:
A sibling connection is defined as a brother or sister, step-brother or step-sister, half-brother or half-sister, living at the same address as part of the same family unit and of compulsory school age (i.e. 5 – 16 years). Fostered and adopted siblings are also included. Older siblings must be attending the school on the date the younger sibling is due to start there. However, cousins or other relatives who take up residence in a home in order to establish an “in catchment area” address will not be given priority under the sibling criterion.

Regular and faithful worship would be defined as attendance at a church service on a Sunday or weekday on at least two occasions per month for at least two years.

For admissions purposes all distances are measured as a straight line distance on a computerised mapping system between the home address and the nearest entrance gate of the relevant school by pinpointing their eastings and northings. The shortest distance being given highest priority. Where two addresses are within the same block of flats, the lowest number of flat nearest to the ground floor will be deemed to be the nearest in distance.

Tie Breaker:
In the event that two applications are exactly the same after all other criteria have been taken into account a tie breaker will be used. This will be by random allocation and overseen by an independent party not connected with the admissions process.

When an application is made after the closing date we will include it if we can, but no guarantee can be given. Applicants not included in the allocation of places will be kept on a waiting list (to which the admissions criteria apply) until the end of the first week of the admission year.

Parents will be notified of the decision on the allocation of places by Shropshire Council’s Admissions Team on behalf of the Governing Body. Should the admission be refused, parents may ask for a review by writing to the Chairman of Governors at the school, who will refer the request to the Governors’ Appeals/Review Committee. This Committee will not include the Headteacher and Chairman.

If the application is still unsuccessful, parents will have the right to pursue their case through an Independent Appeals Panel which will be arranged by Shropshire Council. This procedure has been agreed with the Shropshire Local Education Authority and the Lichfield Diocesan Board of Education and is in accordance with the DfE Code of Practice on School Admissions Appeals. The form required for an Appeal can be obtained via the school.

Where parents move into the school’s catchment area at a time other than prior to the child starting in Reception, please arrange to visit the school. You will be informed if there are any places available in the child’s year group. Application will then need to be made before arrangements can be made for your child to start. If not then parents should follow the procedure set out in the above paragraph.

We will signpost you to Shropshire Council’s online publication “Parents’ Guide to Education in Shropshire”. Please read this carefully as it contains important information about making a preference for primary schools and the need to consider making more than one preference, in case we cannot meet your preference for this school.

For your information, we liaise closely with Shropshire Council’s Admissions Team, over the admissions process.
